Re: Duke Energy Kentucky, Inc.'s - Petition for Confidentiality received 3/31/08
PSC Case No. 2008-00114

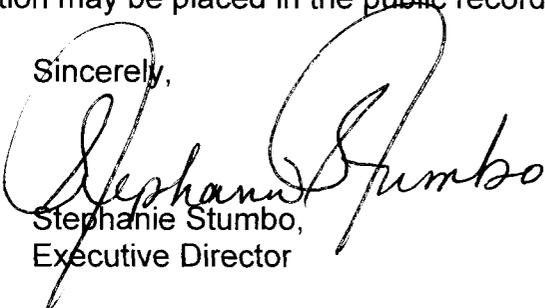

Dear Ms. Spiller:

The Public Service Commission has received Duke Energy Kentucky Inc.'s Petition for confidential treatment requesting to protect as confidential certain information contained in its 2008 First Quarter filing. This information is identified as pertaining to contractor bids for "AMRP" program and specific contracts describing work and estimated costs and bids.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, Duke Energy Kentucky, Inc. is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,
Executive Director
